

PRODUCT DESCRIPTION

The Beam EE collection features low-profile wall lighting designed with versatility and energy saving technology. Fixtures are constructed of stainless steel to allow for outdoor installation, and with the low-profile design, the Beam EE collection can also be used interior for corridors and hallways with ADA compliance. The use of fluorescent light gives the ultimate in energy savings and low maintenance operation. The White acrylic lens is durable and strong. The metal is finished in either Stainless Steel or Oil Rubbed Bronze.
